Reception Planning
Menu selections for your reception are just as important as the main event. At USC Hospitality, we can work with you to create a custom reception menu that will set the stage for the evening and complement your selected meal. This is the first chance to please the palette with taste sensations of things to come.
When hosting a reception before dinner, a good rule of thumb is to allow 4 – 6 pieces of hors d’oeuvres per guest. If the reception fare is the main event, 15 – 18 pieces per guest are recommended. The allocation of hot items to cold is generally 2:1.

A Taxable 20% Service Charge and 9% Sales Tax will be added to all Food and Beverage Purchases and Audio Visual Rentals. Prices are subject to change without notice. Spring 2013
