**Please note that we do not supply technical support for any equipment not provided by the University Club. We can make arrangements for paid support if requested.*

The University Club can make arrangements for any additional equipment and rental requirements you may have. If you prefer other specialized audio visual equipment, different china, crystal glassware, or different chairs and tables, we are happy to work with you in making any arrangement with our vendors for a small surcharge. These arrangements must be made within two weeks of the scheduled event. The rules and requirements of the individual rental company will apply to you, as the customer.
