

WEEKLY 11AM-3PM

Buy your fresh fruit, veggies and healthy snacks for the week from local farmers at the Trojan Farmers Market @ McCarthy Quad

WE ACCEPT EBT
see reverse for details

The market also offers a variety of food vendors with delicious ethnic cuisine. There's always something to see (or taste) in the Hospitality tent, visit our Facebook page each week for a preview. The market is now accepting EBT. Please see the Market Manager for more details.

HOW TO USE EBT AT THE FARMERS MARKET

1. Find the EBT sign that is hung in the market. The manager should be near that sign. If not, the vendor that is at the sign will call the manager to come over.
2. The customer should let the manager know how much EBT they would like to purchase and give them their EBT card.
3. The manager will charge the EBT card. Once the card is authorized, the manager will give you tokens in the amount purchased.
4. Those tokens can be spent at the farmers or prepackaged foods only. They cannot be used at the prepared food booths or the crafter booths.
4. Each coin is a \$1 value which you will exchange with the prepackaged food vendor or farmer for goods.

MEET THE MANAGER
